LBR-LTR-557-2011

10 June 2011

Dear Mr. Bucker,

With reference to your email dated 09 June 2011, requesting clarification on why the airline in Malaysia required you to purchase a return ticket prior to your flight to the Philippines, I would like to inform you that all tourists arriving in the Philippines are required to have their return flight ticket or onward flight ticket to their next country of destination.

I hope we have clarified this matter for you.

Sincerely yours,
